

GRANTS.GOV<sup>SM</sup>

## APPLY

### Often and Easily Online

Now there's a single website to find and apply for more than \$400 billion in annual grants from all 26 Federal agencies. That makes finding and applying for government grant dollars easier and overall grants management more efficient.

**Save time.** Download and complete your grant application offline when and where you want, then save and submit your grant application electronically. Plus, Grants.gov offers many online tools and a dedicated customer support team to help you submit completed applications.

**Register today.** There are new grant application packages opening nearly every day so "get ready to apply." In just 3 steps, register for the secure access you need to submit as many grant applications across all 26 Federal agencies as you want at Grants.gov.

*Thousands are already using Grants.gov*

*Discover the convenience for yourself*

Visit **[www.grants.gov](http://www.grants.gov)** today.

**FIND. APPLY. SUCCEED.**
